FIIG Securities Limited ("FIIG") provides general financial product advice only. As a result, this document and any information, advice or recommendation has been provided by FIIG without taking account of your objectives, financial situation or needs. Because of this, you should before acting on any information, advice or recommendation from FIIG consider the appropriateness of the information, advice or recommendation, having regard to your objectives, financial situation and needs. If this document, or any information, advice or recommendation, relates to the acquisition, or possible acquisition, of a particular financial product, you should obtain a product disclosure document relating to the product and consider the document before making any decision about whether to acquire the product. FIIG, its directors, representatives, employees or related parties may have an interest in any companies or entities, or any financial product issued by companies and entities, and may earn revenue from the sale or purchase of any financial product, referred to in this document or in any information, advice or recommendation. Neither FIIG, nor any of its directors, representatives, employees, or agents, make any representation or warranty as to the reliability, accuracy, or completeness, of this document or any information, advice or recommendation. Nor do they accept any liability or responsibility arising in any way (including negligence) for errors in, or omissions from, this document or any information, advice or recommendation. Any reference to credit ratings of companies, entities or financial products must only be relied upon by a "wholesale client" as that term is defined in the *Corporations Act 2001* (Cth). FIIG strongly recommends that you seek independent accounting, financial, taxation, and legal advice, tailored to your specific objectives, financial situation or needs, prior to making any investment decision. FIIG does not make a market in the securities or products that may be referred to in this document.

Disclaimer

*Yield for Floating Rate Notes is the swap rate to Maturity/Call plus the trading margin.

*Yield for CIB and IAB equals Real Yield plus a current inflation assumption of 2.5%.

^Must be a wholesale client to purchase these bonds.

FCB - Fixed Coupon Bond

FRN - Floating Rate Note

IAB - Indexed Annuity Bond

CIB - Capital Indexed Bond

MBS = Mortgage Backed Security

MBS Yields & Trading margins are an indication only. These securities are more complex, contact your sales person for more information

The beneficial ownership of the client's securities remains with the client, and are the client's assets, at all times.

This report and the yields and prices of the securities are provided by FIIG based upon available yields and prices sourced from leading market makers and data services as well as any available market information and feedback when market volume and turnover is low or not transparent as at the reporting date.

Yields and prices are indicative only and there is no guarantee as to their accuracy. The yields and prices for the securities are an estimate based on the information available to FIIG as at the reporting date and do not necessarily represent the market price or a price at which FIIG or any other party will buy or

sell the securities and may change without notice. If no yield or security is provided for any security, this is because there is insufficient information available to FIIG to provide a yield or price for the security

The yields and prices will be impacted by transaction size, the issuer's financial circumstances, market and economic conditions and the supply and demand dynamics prevailing at the time the client's securities are bought and sold, amongst other things. The historical yield, price or performance of the securities is no guarantee of their future performance

The yields and prices are not an offer by FIIG to buy or sell the securities. Should the client wish to sell their securities prior to maturity, FIIG will use its best endeavours to assist the client to sell those securities. However, FIIG does not make a market in the securities
